

Elite Sports and Education Academy are offering a **£1000** scholarship programme for elite performers in a **range of sports** who want to combine their training with Level 3 sports qualifications.

The course is a two year OCR Extended Diploma in Sport which is the equivalent to 3 A-Levels and the natural pathway to university.

Why is this course for you?

- The course is arranged so that maximum time is available to train and be coached in your specialist sport.
- 3 days education.
- Specialist teaching staff.
- Sport specific units such as Nutrition, Fitness testing and Sports Psychology that will improve your own performance.
- A **£1000** bursary over the two years to be used for coaching and training.
- Links with scholarship companies.
- Progression onto university and apprenticeships.
- Employment opportunities in coaching.

Entry criteria

- 4 GCSEs at C and above
- Excellent sporting background

Only **10 places** available for September 2017.
